New employees with R2 Agro

We are very pleased to welcome two new employees with R2 Agro. With these two new colleagues we have further strengthened our competent staff, and we are looking forward to obliging and servicing our customers and other cooperating partners also in the future.

Heidi Bøckel Häuser, 37 years, has taken up an appointment as our CFO as of 1st April 2016.

Her former job was as CFO with Sukup Europe in DK-Hedensted.

Sven Mehic, 31 years, has started in a newly created position in our logistics department as purchaser and logistics employee.

Sven was previously employed as purchaser and service coordinator with Bad Element ApS in DK-Horsens.

Freedom with responsibility– part of the culture with R2 Agro

“We are of the opinion that each employee is able to take responsibility for the organization of her/his own working day. Therefore we are practicing freedom with responsibility, but we are of course at disposal for sparring with our colleagues”.
