

# News from R2 Agro

**By Dorthe Lyse, Logistics Manager in R2 Agro**

## Harvest 2014

The calendar says August and most people are back from summer holiday. We hope that everybody has enjoyed the summer with time for relaxation and adventures in the nice weather.

It is the time for harvest, in some areas even all ready completed.

By R2 Agro–Feed Solution we sense the extra activity in our execution and production, where daily several trucks are loaded/unloaded.

We are looking forward to the autumn with new initiatives in pipeline to be presented on a later occasion.

## R2 Agro is hiring trainee for Logistics

In Logistics we have an open position as trainee for a 2 years education. R2 Agro wish to contribute that the next generation can have the best start on the job market, and we see it as our responsibility to offer a traineeship to qualified candidates.

We hope to be able to present our new colleague within short time.

## 15 years anniversary at R2 Agro

In R2 Agro/Nutriscan Karin Juel Hansen celebrated her 15 years anniversary on the 9/8-14 – congratulations !
